pathfinder

The PATHFINDER system from OE Electrics has been designed from 25 years experience in supplying cable management products, to offer a complete floor to desk, floor to ceiling, or ceiling to desk, vertical cable management solution. Combine Pathfinder with QikTray for optimum cable management.

- A unique grommet for feeding under floor cables directly into the umbilical
- Extendable sections to allow for fixed desk, height adjustable desk or ceiling termination
- A wide range of floor, desk and ceiling fixing options
- Internal segregation for power and data cables to comply with BS regulations
