

GST08 cabling

GST08 male to female leads are required to interconnect our Animate system DC power products such as the TUF-HP 72W USB charger, QikFit 30 Power Supply and QikPac battery pack. They are available in 0.5m (19.7"), 1m (39.4"), 1.5m (59.1") and 2m (78.7") lengths.

Cable type	H03V2V2H2-F
Connector type	GST08i2
Cable cores	2 x 0.03" ² (0.75mm ²)
Rated current	6A
Rated voltage	50V
Lockable	No
Color coding	Green
Cable color	White
Cable diameter (max)	0.21" (5.4mm)

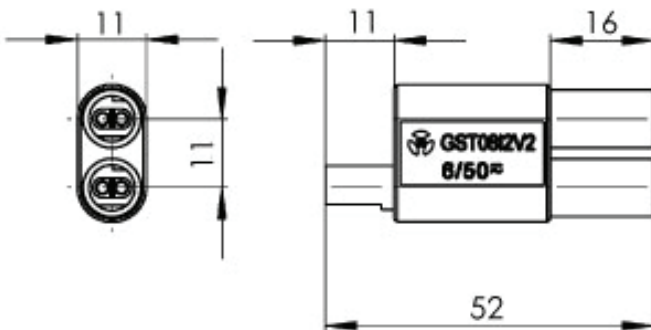

Typical scenarios

GST08 adapter

The GST08 2-way adapter enables a single OE Animate system DC power source to provide power to two devices via GST08 interconnect leads.

Rated current	6A
Rated voltage	50V
Rated impulse voltage	2 kV
Lockable	No
Color coding	Green
Number of inputs	1
Number of outputs	2
Housing material	PVC

Male connector

Female connectors
