

Work and fun do not have to be at odds. OE's PLANET is one way to bridge the gap. With PLANET's eye-catching spherical design, energetic color combinations and optional LED ring, PLANET is the perfect vehicle to bring a spark of fun to your furniture.

Configure PLANET's three sockets to suit. Choose between AC power or OE's patented replaceable TUF-R A+C 25W USB charger.

Supplied complete with an integral mounting ring fitting standard 3.15" (80mm) grommets; with a simple twist of the locking nut, PLANET mounts without any tools, making installation a non-event.

## UNIQUE SELLING POINTS:

- Distinctive spherical design
- Secure 3.15" (80mm) grommet mounting
- Choice of AC power sockets and TUF-R A+C 25W USB charger
- LED identity ring option
- Endless custom finishes

## Available Modular Components:

See [www.oelectrics.com](http://www.oelectrics.com) for full list of available [modular components](#).

## Dimensions

### Configuration:

Populate PLANET's apertures with:  
 - 42mm power sockets, or  
 - TUF-R A+C 25W USB charger

### Construction:

Main body, base and mounting grommet - Polycarbonate  
 Socket fascias - Polycarbonate

### Colors:

- Upper dome – Polished White or Black, as standard. Full range of colour options / textures plus custom immersion transfer finishes, to order
- Under dome - Satin White, as standard. Satin colour options, to order
- Socket fascia - Black or gray (NEMA TR sockets - black only)
- Power cable - Black
- LED ring - red, blue, green, and white optional

### Power and cord:

PLANET is wired as standard with a 12" 14/3 SJT cord to a male GST connector to be used with [OE's pluggable GST system](#).

Available by special order wired with a NEMA 5-15 cord and plug.

A starter cord is required for GST option: 72" or 108" 14/3 SJT cord with female GST connector, NEMA plug, and Integral OCP standard.

### Quality and Testing:

All PLANET units are manufactured using ISO9001 quality controlled components and practices and are 100% inspected before shipment.

- Visual: Configuration and appearance
- Power sockets: Continuity, polarity, insulation & grounding
- TUF-R A+C 25W USB charger: Fully function tested, as well as 4 hour "full-load" soak tested"
- Data & AV: 100% continuity tested; all orders are batch tested for performance compliance

**"we test every pin in every socket in every module"**
