arc80

ARC80 from OE Electrics offers the latest generation in wireless charging, providing a clean and convenient way to charge your phone. Our in surface wireless charger is specifically designed to work with both Samsung 10W and Apple 7.5W charging modes in addition to the older 5W charge.

Simply rest your wireless compatible phone* on the ARC80 wireless charger for a FAST CONVENIENT CHARGE. With up to 10W of charging power ARC80 is one of the fastest wireless chargers available.
