blackICE

BlackICE desktop power unit makes a bold addition to OE's ICE product family. BlackICE offers the same great design and build quality as the popular PolarICE, but in striking all black. BlackICE, with its cool contemporary curves, offers a stylish alternative. With a choice combination of OE's patented TUF-R A+C 25W USB fast charger and modular AC sockets, the modern office worker will never be short of safe charging options. Combined with our data and AV connectivity selection, BlackICE is available in almost any configuration imaginable!
