pandora

PANDORA is an innovative solution for powering small meeting areas suitable for 2-3 people such as meeting rooms, huddle spaces, cafés, offices and public spaces. Providing 360° access while fitting cleanly into a 5" (127mm) grommet hole, PANDORA presents a near flush profile.

Available with AC power sockets, our patented TUF-R A+C 25W USB charger and data/AV connectivity. Molded in either white or black textured PC/ABS, PANDORA is both attractive and durable. For next-level appeal, choose the optional brushed stainless-steel inlay.
