phase

PHASE is ideal for providing convenient and discreet power, USB, and data in offices, common areas, hotels, airports, and then some. Compact, robust, and unconstrained by convention, you will find PHASE an innovative option for your furniture.

With its concealed mounting bracket and rear or base cable exit, PHASE is an easy-to-install solution for desks, tables, and soft furnishings alike. PHASE is available in white or black with your choice of gray or black socket fascias. The two socket apertures can be fitted with any combination of power, patented TUF-R A+C 25W USB charging, and data.

TUF-R^{A+C}
