# pip

PIP has been designed to provide access to AC power and USB fast-charging in its purest and simplest form. PIP presents a single AC or patented TUF-R A+C 25W USB charging socket in a wide choice of decorative bezels, offering style, color and finish options to perfectly complement your furniture.

Designed specifically for mounting in furniture or panels, PIP fits into a standard 2.34" (60mm) opening and requires only 1.73" (44mm) of depth.
