PIXEL's clean organic lines are the perfect complement for today's work environments. Effortlessly blending into agile offices, libraries lecture theaters, airports, hotels, and more. Accessible from any angle, PIXEL fits into a standard 3.15" (80mm) grommet without the need for tools and can be mounted horizontally or vertically into tables and seating alike.

PIXEL's unique design with sweeping organic curves ensures protection against liquid ingress as required by UL962A.
