# planet

Work and fun do not have to be at odds. OE's PLANET is one way to bridge the gap. With PLANET's eye-catching spherical design, energetic color combinations and optional LED ring, PLANET is the perfect vehicle to bring a spark of fun to your furniture.

Configure PLANET's three sockets to suit. Choose between AC power or OE's patented replaceable TUF-R A+C 25W USB charger. Supplied complete with an integral mounting ring fitting standard 3.15" (80mm) grommets; with a simple twist of the locking nut, PLANET mounts without any tools, making installation a non-event.
