polarICE

POLARICE makes a bold statement offering the same great design and quality as the popular BLACKICE with an alternative aesthetic. Populate with a choice of modular AC sockets, patented TUF-R A+C 25W USB fast charger or data and AV connectivity, the modern office worker will never be short of safe power options. Customizable in length, POLARICE is available in almost any configuration imaginable!

To complement the full range of power and data is an equally diverse selection of mounting options. Quickly mount to desktops, tool rails, slot walls, and furniture panels.
