

# powerunit

- Compact design perfect for sub-surface or panel mount
- Choice of AC power, USB charging, data/AV and control features
- QIKTRAY compatible

# powerunit

The compact POWERUNIT provides flexible, modular, power and data distribution, ideal for office desks and screens where a limited number of outlets are required.

Standard off the shelf units are available from stock, but POWERUNIT may also be specified with many custom power combinations. Bespoke units may be configured with remote switches, thermal resettable fuses, and other accessories, there are many options.
